## In Jezus' naam

Je wilt jouw sponsorkind een betere toekomst geven. Dat gaat verder dan een leven zonder extreme armoede. Echte bevrijding is er pas als je Jezus leert kennen.

Daarom krijgt ook jouw sponsorkind een bijbel en hoort hij/zij het evangelie. Zo krijgt jouw sponsorkind de mogelijkheid om Jezus persoonlijk te leren kennen.

Dear CBS De Eker,

Have a wonderful day to you. I am hoping that you are in good health with your family. About me, I am well with my family.

You know what, I am now in Grade VI, I'm so nervous during the first day of our class because it's a new school and it's a new classmates> I'm just always praying to God that He will always encourage me so I can adjust in our new school. I'm so happy during our first quarter exam because I am the Top 5 of the Grade VII.

Thank you so much for your love on supporting me. It is really a big help for my family. Because my parents' expense for my studies will be used in other matter in our household. It is really a blessing for my family.

Our climate here is rainy and sometimes it's hot. What's the weather in your place now? Christmas is fast approaching, what are your plans? Are you having a vacation? May God pour out more blessings, love and peace for your whole family. Please help me pray that my family will always have the courage to serve our Living God and will always guide us in our daily living in Christ.

Until here. Words are not enough to say thank you for your goodness and generosity for me.

TO GOD BE THE GLORY

Your beneficiary child,

Christian Gee Bonsucan
